## Center for Instruction, Technology & Innovation Recognizes Achievements of Central Square Students

Central Square New Vision students in Allied Health, Law and Government and Specialized Careers programs at the Center for Instruction, Technology & Innovation (CiTi) were recognized at a special graduation ceremony held at SUNY Oswego.

The New Vision programs are designed for high school seniors, combining classroom instruction, college coursework and clinical rotations with local business partners such as Oswego Health and Fulton City Police.

Central Square students were also inducted into the National Technical Honor Society during a ceremony held at the CiTi Mexico campus for career and technical education students.

Each of the Central Square School District inductees demonstrated responsibility, service, leadership, skill, scholarship, honesty and citizenship. In addition, they met additional eligibility criteria, which included maintaining a 90 percent or higher average in their CTE class, while also maintaining good academic standing and attendance in their home school.

Students who were honored with two-year recognition received a medal worn during the Central Square graduation ceremony.

## Graduates Participate in Third Annual Elementary Walk-Through

Central Square seniors once again walk the halls of their respective elementary schools in full cap and gown, reminiscing where it all began before they approach the finish line: graduation. Elementary students and staff line the halls cheering on the near-graduates. Some made signs, some played instruments and others sang. The memorable event serves to encourage and inspire younger Redhawks, the future graduates of Central Square. After the walk, they had the chance to ask the seniors questions.

## Central Square Exceptional Education Students Honored at CiTi

Central Square Exceptional Education students from the Center for Instruction, Technology & Innovation smile proudly with their diplomas. Not letting any adversity, challenge or obstacle prevent them from achieving their crowning moment, each student walked a traditional processional at CiTi's main campus in Mexico. The graduates included: Angelica Moot, Jason Harris, Lincoln Marion, Shelby Rennie and Jonathon Anderson. After a presentation of diplomas, both the honorees and ceremony attendees were invited to a graduation celebration where everyone enjoyed cake and took photographs.
